JEWELERS

CELEBRATE FRED'S BIRTHDAY!

At 84 years young, Fred still begins each day the same way he has for over six decades by putting on his jeweler's loupe and getting to work.

What began in 1975 as a small shop on Route 231 East Marlton Pike has grown into a beloved local treasure, known for craftsmanship, honesty, and heart. Every ring, pendant, and bracelet that leaves his hands carries a story sometimes of love, sometimes of legacy, always of care. "I've been lucky," Fred says. "Jewelry isn't just about gold or diamonds it's about people and moments that matter." As we celebrate 60 years in business, we're sharing some of his favorite memories from resetting heirloom engagement rings to designing custom pieces for couples now celebrating their own 50th anniversaries!

When to Repair my Jewelry?

Minor scratches or broken chains shouldn't keep you from wearing your favorite jewelry. At Berman Jewelers, we offer expert, full-service repairs from gemstone polishing and clasp replacement to detailed restoration work.

Our skilled jewelers handle everything from ring resizing, chain and clasp repair, and gemstone replacement to pearl stringing, engraving, and diamond setting.

We'll repair any piece, whether it was purchased from us or elsewhere, and provide a free repair estimate before we begin.

☐ → **BOOK NOW!**

While you're here, consider having your jewelry reappraised by our professionals to ensure your most treasured pieces are properly valued and protected.
